SENIORS

Mock Accident

Students played the roles of teens in a mock two car "accident" staged at the high school. Juniors and seniors watched the situation unfold with police and firefighters assisting the "crash victims." This event helped to remind students of safe driving practices especially as they prepared for their proms and graduation.

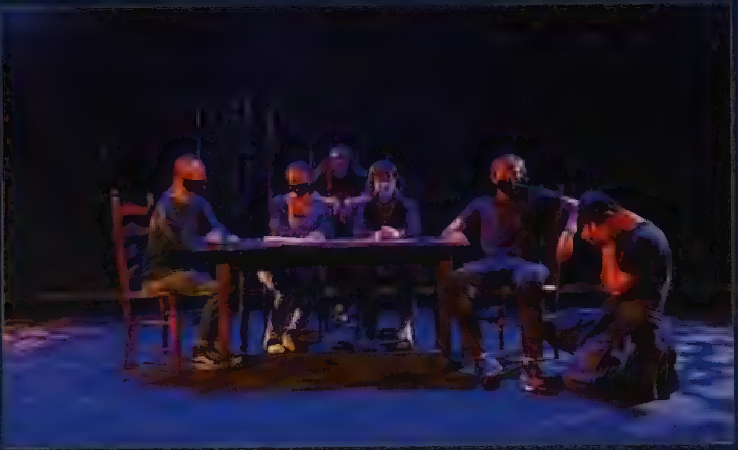
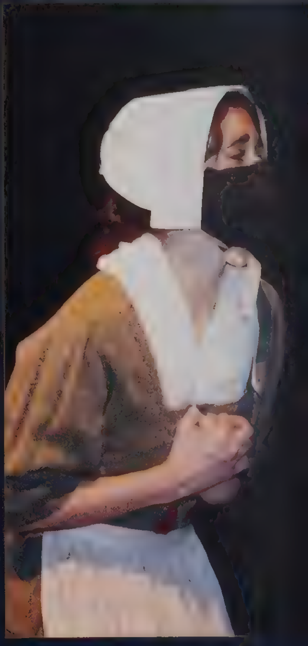
Fall Play





Live theatre returned to the SHS stage! The students of The Performing Arts Department proudly presented The Scarlet Letter. In this new and theatrical retelling of the classic tale by Nathaniel Hawthorne, Hester Prynne is forced to wear a scarlet letter on her chest as punishment for committing adultery in Puritan New England. Throughout time, The Scarlet Letter has endured as a way to examine societal expressions of shame, guilt, and ultimately, redemption.

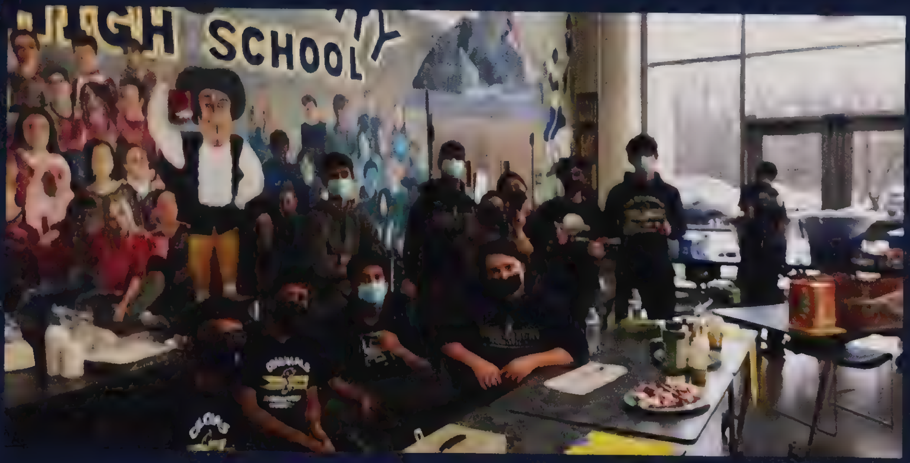
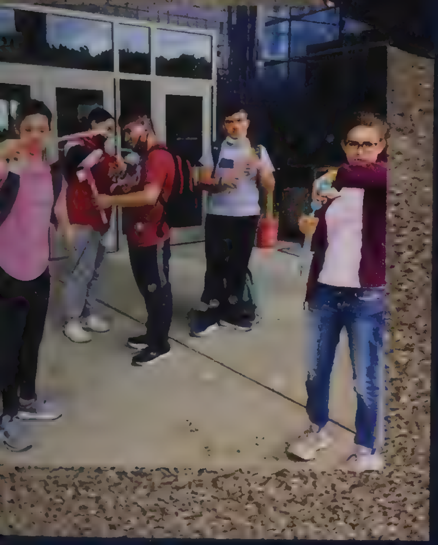
Honor Societies

Clubs and Honor Societies at SHS

SHS offered over 50 clubs and 10 honor societies this year! Clubs included a variety of interests and disciplines including science, technology, business, social sciences, math, art, music sports and wellness. Clubs provide opportunities for student leadership, competitions and inclusiveness.

Honor societies at SHS include our National Honor Society, Math, Social Studies, English, Spanish, French, Chinese, Latin, Art and Tr-M. Students in honor societies are focused on the qualities of scholarship, leadership, service, and character.





Clubs

Asian Culture Club

Advisor: Mr. Cobb

Asian Culture Club provides a welcoming space for people to come together and bond over our passion for Asian Culture. Activities include presentations, culturally inspired games, and field trips.

Astronomy Club

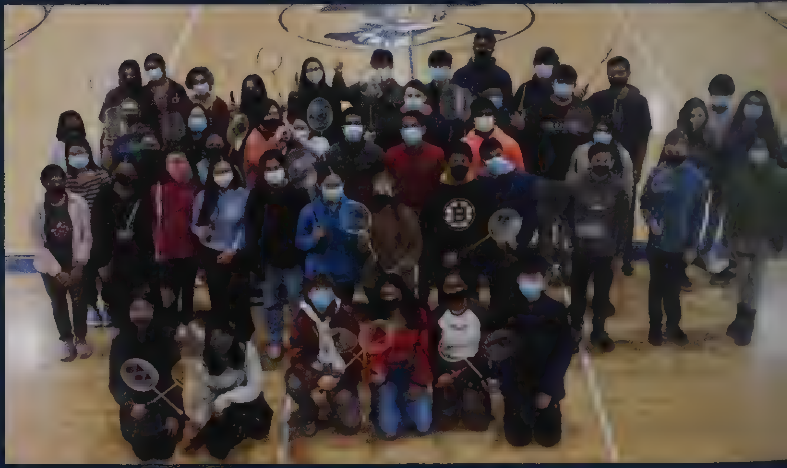
Advisor: Mr. Hruskoci

The club meets to discuss Astronomy in the news and other topics of interest related to space. Activities include discussions, movie night and occasional evening star gazing.

Badminton Club

Advisor: Ms. Raczelowski

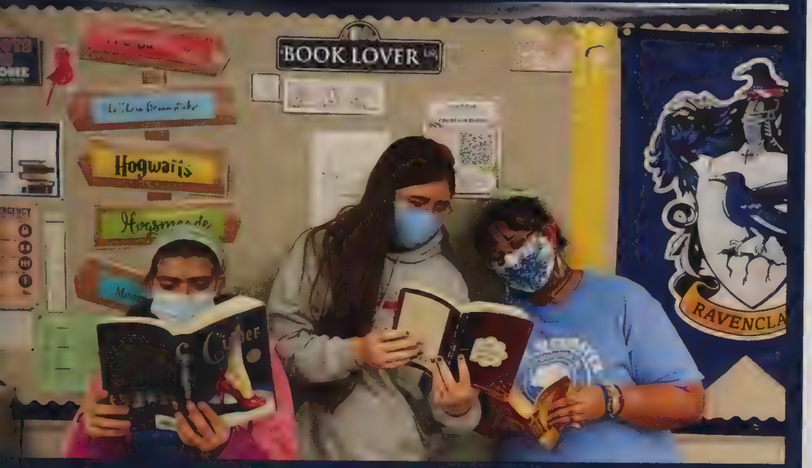
Students meet regularly at the tennis courts to play recreational games.



Biology Club

Advisor: Mr. DeOrsey

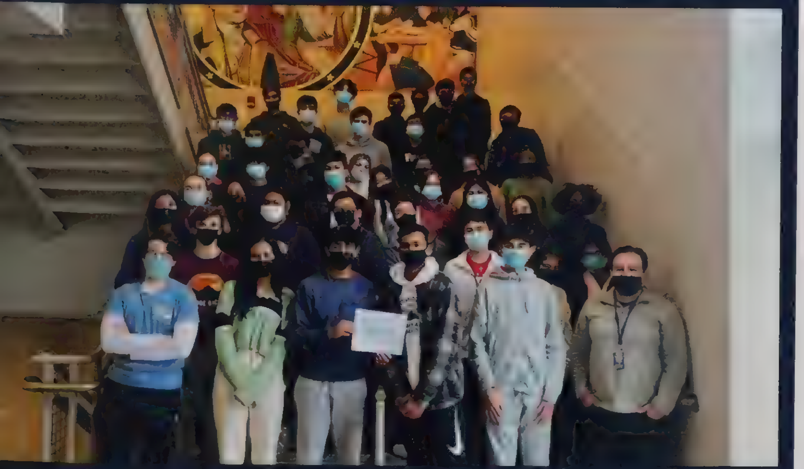
The Biology Club is a place for students who are interested in biology or a career in biology (or related fields) to come and learn more in a fun and low pressure environment. This club favors hands-on activities and labs. Activities include talks with professionals, dissections, career investigations, DNA modeling, nature walks and investigating microorganisms.



Book Club

Advisor: Mrs. Penfield

The Book Club is a place where students who are avid readers come together. Activities include discussions on various books and organizing book drives.



Business Club

Advisor: Mr. Andreola

The Business Club provides its members with the opportunity to gain valuable knowledge about the business and professional world. Topics such as finance, marketing, real estate, investing and money management may be covered depending on the interest of its members. Members learn about business fields to help inspire career goals. The club organizes events with guest speakers from various business fields.

Calligraphy Club

Advisor: Mrs. Bredberg

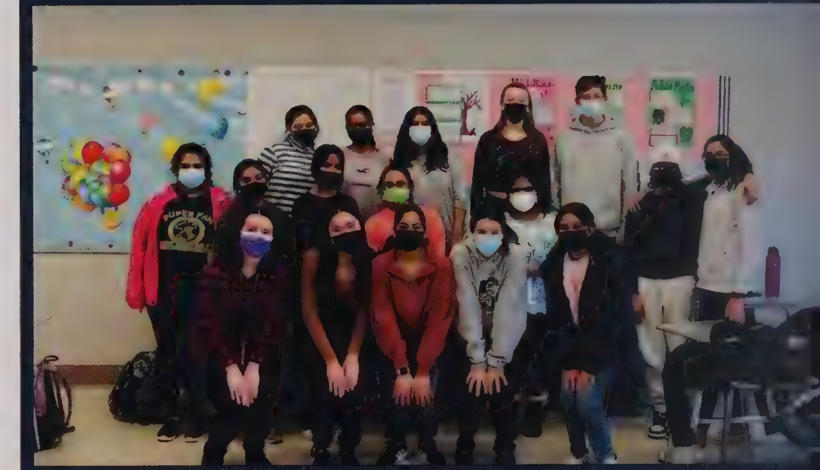
The SHS Calligraphy club meets to share lettering inspirations and techniques. We share resources and encourage creative lettering, through shared quotes, challenges and more. The club also shares ideas and inspiration for bullet journaling and creative monthly spreads.

Calligraphy Club

Cancer Awareness Club

Advisor: Ms. Watkins

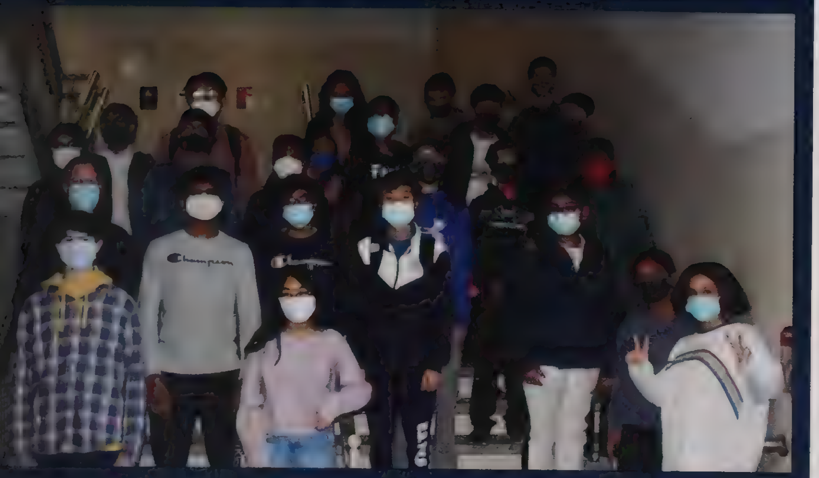
The Cancer Awareness Club's goal is spreading awareness and educating teens about cancer. Our main goal also includes raising funds that will ultimately go towards St. Jude's Hospital to support children who are fighting cancer. As a club, we strive for an inclusive community where everyone can have a strong voice through empowerment, service, and advocacy.



Chemistry Club

Advisor: Ms. Moynihan

The Chemistry Club will investigate chemistry concepts as they apply to a yearly theme and implement a project to help the community.



Chess & Strategy Game Club

Advisor: Mr. Hruskoci

This club provides an environment for students to play a variety of strategy games. Many of the games that are played are brought by participants themselves. This includes card games, board games and dice games. Chess boards, pieces, and chess timers are available for the avid chess players. Activities include regular meetings to play games in pairs and small groups.

Computer Club

Advisor: Ms. Calabresi

Computer Club is for all high schoolers of all skill levels! Students can join with a ton of experience or none at all, and they will always have a fun and stimulating activity to do! Students can learn a programming language and even get some volunteer hours. Activities include learning programs such as Java and Python, volunteering to teach programming and learning about computer hardware.

Cooking For A Cause Club

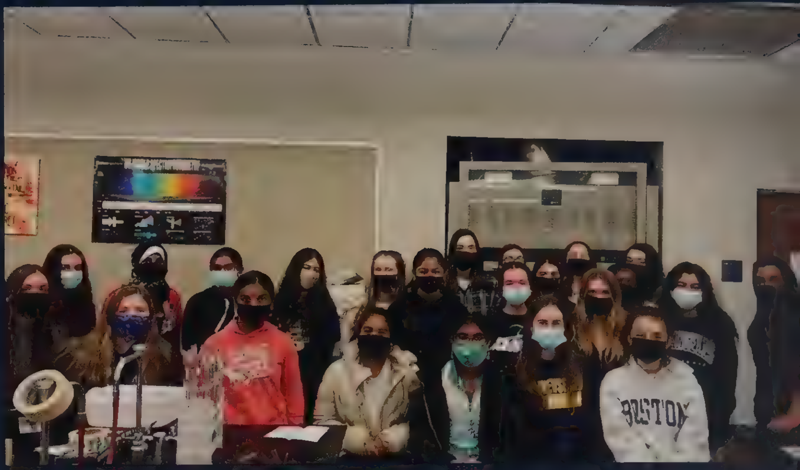
Advisors: Mrs. LeMay & Mrs. Campo

We prepare meals that are donated to Rachel's Table. The meals are then delivered to various homeless shelters.

Criminology Club

Advisor: Ms. Cuddy

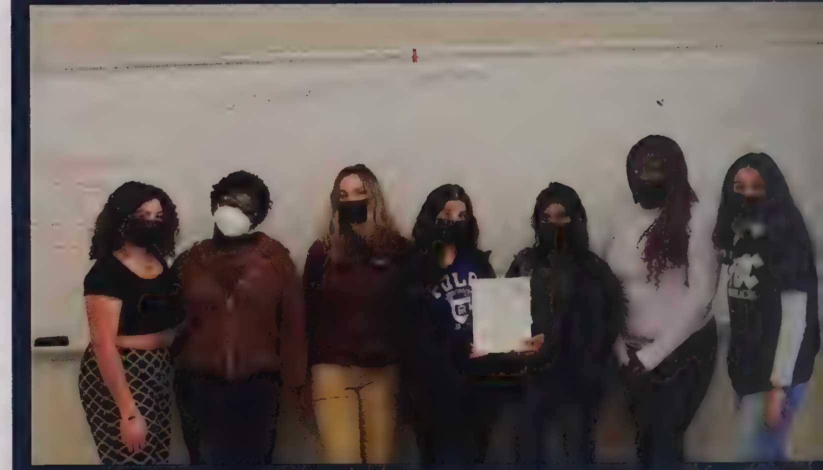
Are you interested in solving fake crimes, watching Criminal Minds, and discussing real-life cases and fields related to criminology? If so, join the Criminology Club!



Diversity Committee

Advisor: Mr. Brown

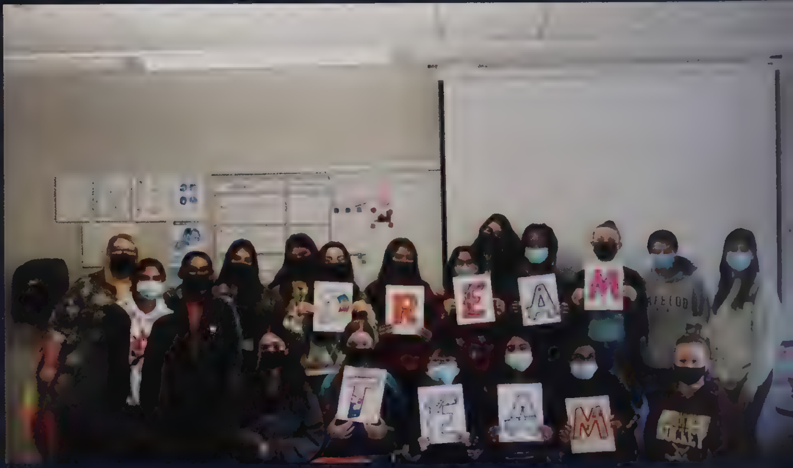
The SHS Diversity Committee works to provide a platform for students from diverse backgrounds, find ways to make the school more equitable for all, and build an appreciation for all the cultures that make up Shrewsbury High School.



Dream Equal Club

Advisor: Mrs. Linsey

DreamEqual is a non-profit organization that strives to combat gender stereotypes and create a more inclusive community for everyone. The organization runs on three main pillars; empowerment, advocacy, and education. The Dream Equal Shrewsbury Club is perfect for people who are passionate about gender equality and want to gradually start making a change. Members in this club will have a chance to showcase their inner leader while participating in engaging discussions, and educating others by developing and hosting workshops.



Embroidery Club

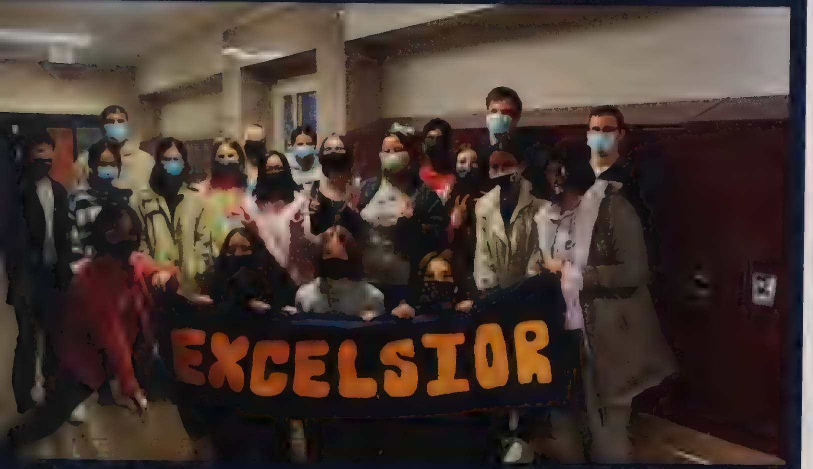
Advisor: Ms. Yellen

SHS Embroidery club welcomes people with varying skill levels to embroider. The students learn and share from one another; from stitches to bigger projects. Members bond over their love for the needle and the thread!

Engineering Club

Advisor: Mr. Wood

The club is meant to have fun while engaging in engineering competitions. Students will gain useful knowledge while applying the design cycle to solve challenging engineering problems. The goal is to participate in VEX robotic competitions at WPI and QCC as well as the National Rocketry Competition TARC.



Excelsior Club

Advisor: Mr. Jacobsen

This club is Shrewsbury High School's student literature and arts magazine. Students in the club review student work and publish magazines several times per year. Excelsior also has a tradition of hosting "open mic" poetry and creative writing workshops. Excelsior's meetings include not just reviewing literary and artistic submissions, but also discussing literature, poetry and film.

Fashion Club

Advisor: Mrs. Noel

Are you interested in art, designing, sewing, or fashion if so you should Join the SHS Fashion Club!

Film Making Club

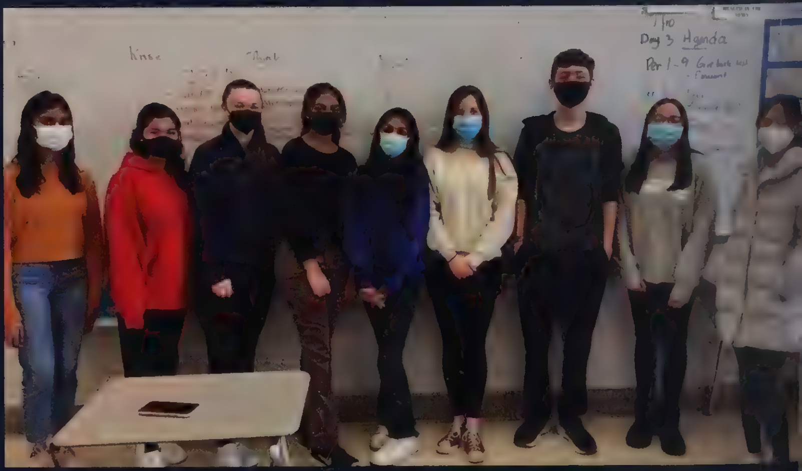
Advisor: Mr. White

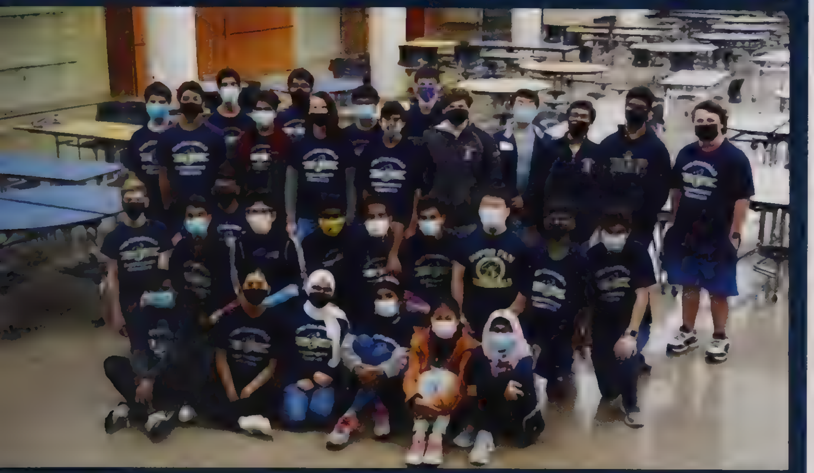
The Filmmaking Club is a passionate group of creative students who meet to watch and discuss short films. They help each other plan and create our own short films, which are shared at our Annual SHS Film Festival each spring.

Food & Health Club

Advisor: Ms. Ferris

Interested about the issues surrounding food, physical, and mental health? Come join the Food and Health Club.





FRC Team 467 Robotics

Advisor: Mr. McBrayer

FIRST Robotics Competition team works with technology to build robots to complete tasks to participate in competitions. Activities include designing and building a robot to compete in First Robotics Competitions, additional community outreach activities and coaching First Lego League teams for the Sherwood and Oak Middle Schools.

BERLIN
AéQUIPE
GAP

Genetic Engineering/ Bio-Tech Club

Advisor: Mrs. Lambert-Peloquin

Gene therapy, vaccines and artificial organs - the trifecta of Biotech. These three medical products are just a piece of the behemoth of biotech's puzzle. Students in this club met to sharpen their "hard" skills (knowledge) and "soft" skills (leadership). They researched, designed, and pitched ideas for vaccines or treatments to existing diseases.

Girls Who Code Club

Advisor: Ms. Dancy

Girls Who Code is a computer science club that provides students with the opportunity to work with technology while collaborating with others with similar interests. The members of the club make digital projects, make digital games, and learn vital computer science skills.

GMAD Club

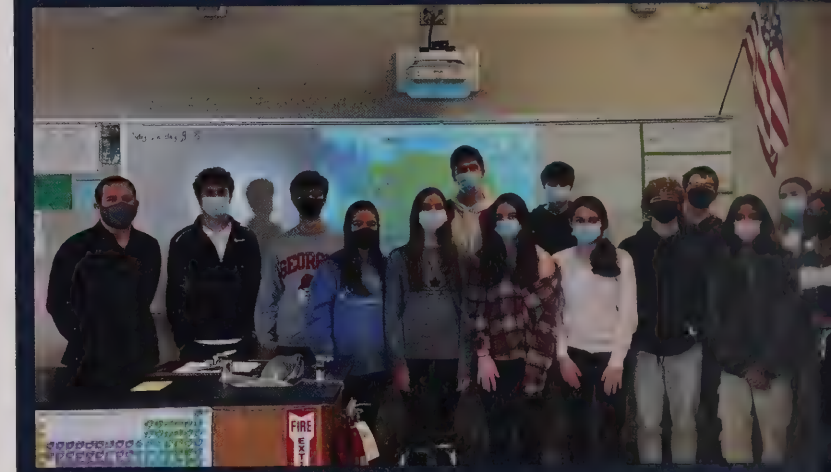
Advisors: Mrs. Duggan & Mrs. Lambert-Peloquin

GMAD is a club focusing on serving the Ugandan children of Soroti Vision School. The club's mission is to end poverty through love and education. The members want to inspire people in their community to join their goal to globally make a difference.

Green Club

Advisor: Mr. Brocki

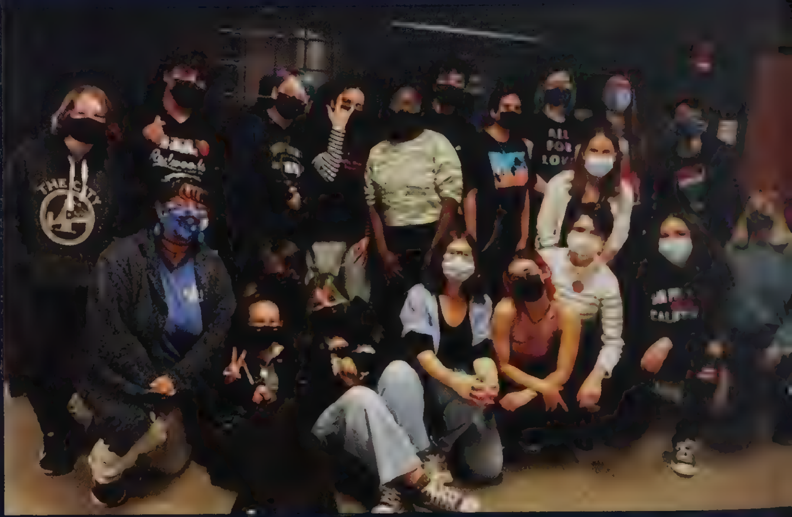
The Green Club is a group of students interested in volunteering in their local community in order to promote sustainability. Members participate in school, local and state level issues that promote sustainable action.



Gender & Sexuality Alliance (GSA) Club

Advisor: Ms. Fitzgerald

The GSA is a club that discusses issues the LGBTQ+ students face. Everyone, including allies, are welcomed to join. The GSA hopes to promote tolerance and an accepting environment for all people, regardless of sexual orientation or gender identity through education, support, social action, and advocacy. The GSA hopes to address issues faced at the high school, local, and global community.

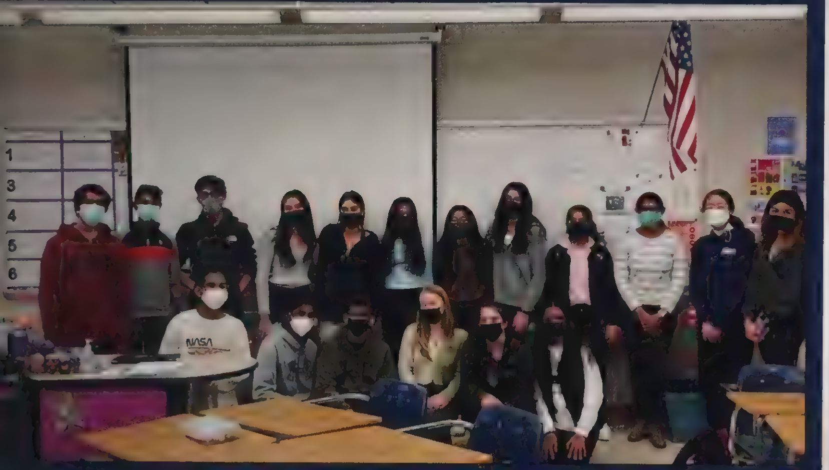


Collection ends on DECEMBER 10th!
TOYS
TOYS FOR TOTS

Helping Hands Club

Advisor: Mrs. Cobb

Students volunteer to do things for people in the community. Members are involved with helping the school community or the community at large. They also work to be informative, so in addition to volunteering the members work to spread awareness of a cause by hanging informational posters or distributing ribbons to wear in solidarity.



Health Occupations students of America (HOSA) Club

Advisor: Ms. Geoghegan

Are you interested in medicine? HOSA is a competitive medical team, where students get to compete in medical events locally and nationally. Furthermore, we have team events where we not only help the community, but also get to work with people in the field. Previous knowledge is not needed to participate!

Improv Club

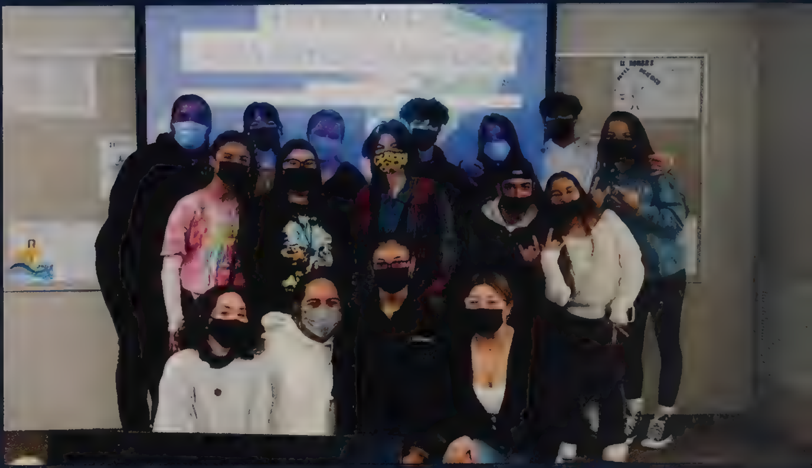
Advisor: Mr. Lapomardo

Do you like comedy? Are you good at thinking on your feet? Just want to hang with a bunch of cool people? Improv club is a group of students who enjoy making up scenarios and going with the flow.

Latinex Heritage Association Club

Advisor: Mr. Almeida

Do you like to learn about cultures other than your own? This is a place where you can share experiences and celebrate Latino culture. We believe that it is important to educate about the history and experiences we share. All are welcome and encouraged to take part in such a diverse community.



Marine Biology Club

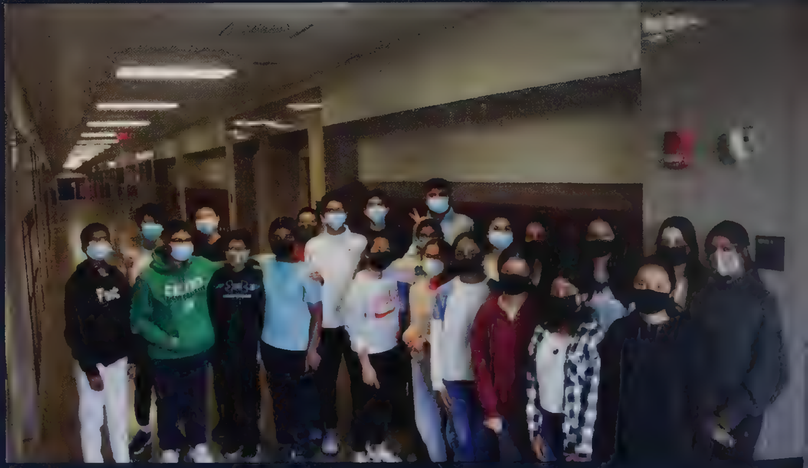
Advisor: Mr. Brocki

The club is a place for students to share their passion for marine organisms and the marine environment. Students have the opportunity to watch documentaries on marine biology issues, dissect sharks, and share their love and interest in marine organisms.

Math Team Freshman

Advisors: Mr. Peter Collins & Ms. Dancy

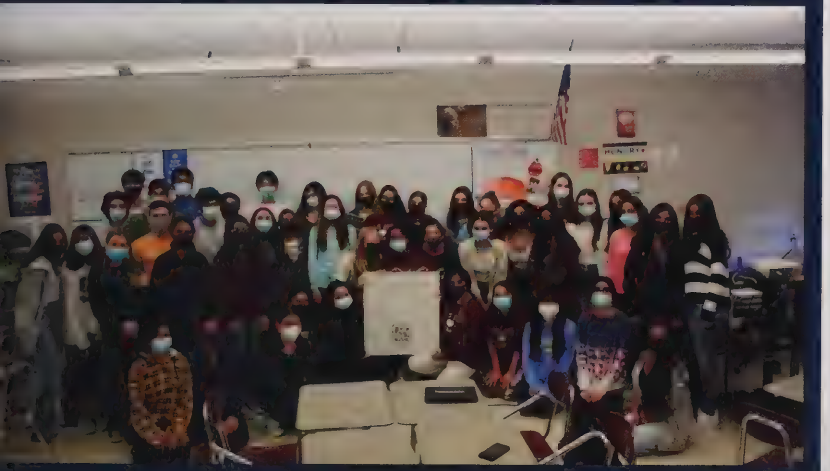
Freshman Math Team competes in the Worcester County Math League. Math Team members are given the opportunity to compete in the annual MAML Math Olympiad offered in the fall. Stronger performers on the team will also be given an opportunity to participate in the AMC 10 math competition offered in February. Activities include 3 league meets per year.



Math Team Varsity

Advisors: Mr. Peter Collins & Ms. Dancy

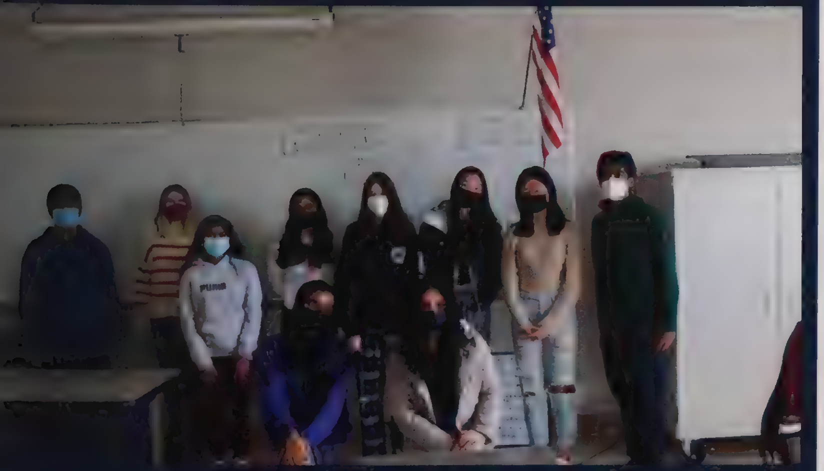
The Varsity Math Team competes in the Worcester County Math League. Most years, Shrewsbury also competes in the Massachusetts State Math Meet and potentially the New England Math Meet. Activities include 4 League meets per year. Math Team members are given the opportunity to compete in the annual MAML Math Olympiad offered in the fall. Stronger performers on the team will also be given an opportunity to participate in the AMC 10 or AMC 12 math competitions offered in February.



MED Club

Advisor: Mrs. Burtnyk

Students learn basic medical terminology and explore various jobs in the medical field. This student-led organization provides an opportunity for students interested in the medical field to learn about many different aspects of medical professions including medical doctors in a variety of specialties, surgeons, PA, nurses/nurse practitioners, pharmaceuticals, and epidemiology.



Mock Trial Club

Advisor: Ms. Burke-Smith

The club participates in mock courtroom proceedings with various issues and cases. The team competes in tournaments, representing Shrewsbury High School in the Massachusetts Bar Association's Mock Trial program for high schools throughout the state. This club hopes to teach students about the justice system and the world of lawyers, attorneys, judges, etc. The students learn how to speak in a courtroom setting, write speeches, debate, and act while also working on their collaboration and public speaking abilities.

Model United Nations Club

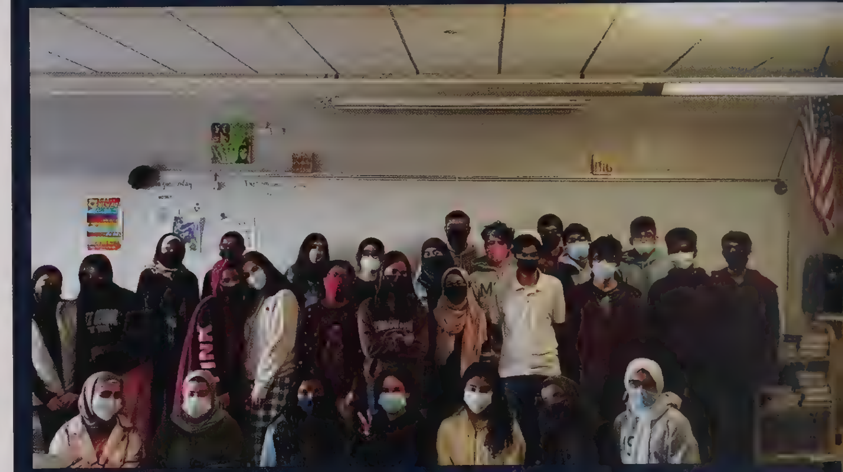
Advisor: Mr. Andreola

Model United Nations is a club that simulates the real-world process of the United Nations and debates current and historical world issues and political policies. Debating in the style of the U.N., the club promotes awareness and knowledge of current events and provides an opportunity for students to discuss and debate them. Additionally, the club regularly attends both state and regional conferences each year based on the interest of its members. Several students from the SHS Model UN team have won awards in recent conferences as well as students winning multiple awards over recent years. Activities include competing in regional and state Model U.N conferences, participating in open debates regarding world issues and foreign policies.

Muslim Student Club

Advisor: Mr. Burton

This is a group for Muslims in the school to get to know one another, and a forum for anyone who wishes to learn more about the Islamic religion and what it means to be a Muslim. The club organizes educational and Islamic activities every week which enable its members to increase their knowledge of Islam and practice their religion. The MSC also holds annual fundraisers, the proceeds of which are donated to the less fortunate.



MVP (Mentor Volunteer Program)

Advisors: Mr. Tashjian & Mr. Patrick Collins

The Mentor Volunteer Program was designed to assist incoming freshmen with the transition into high school. Students in grades 11 and 12 can apply to be a mentor in the spring. Mentors create activities and determine discussion topics to use with freshmen during homeroom. Mentors are also expected to attend meetings throughout the school year and to also use their mentor homeroom to plan for activities.

NEAT (New Entrant Assistance Team)

Advisors: Mr. Russel & Ms. Eriole

The New Entrant Assistance Team is a student organization including members of different backgrounds, cultures, and experiences. The team is centered around supporting new students as they transition to the demands and expectations of Shrewsbury High School. Activities include Freshman and New Entrant orientation and tours. Throughout the year, Ambassadors are also called upon to help guide new entrants through their day as they adjust to the relative day schedule, iPads, lunches, Schoology, etc.

Outdoors Club

Advisors: Mrs. Cobb & Mrs. Williams

This club consists of a group of students who meet for activities according to the weather. Local hikes are planned during fall and spring, some of which are trips to Purgatory in Sutton, the trails in Northboro and to Wachusett Mountain. In the winter, students can go ice skating at the Worcester Buffone Rink, snow shoeing, or sledding locally. Other outdoor plans include horseback riding, geocaching, frisbee golf, mapping the trails on campus, flying kites and bike riding on local rail trails.

Photoshop Club

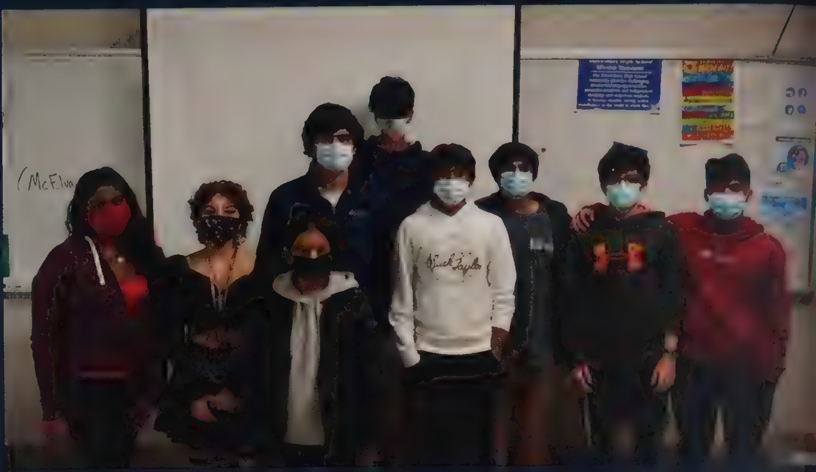
Advisor: Mrs. Fox

It may be impossible to take the perfect photo, but do not worry, because it is easy to make any photo, the perfect photo using Photoshop!

Political Action Group

Advisor: Mr. Burton

The club's goal is to spread political information throughout the community. We plan on organizing webinars and other events with local activists and professors, so that students within our community (and even students in other schools) can be engaged in politics. There is also the opportunity to gain leadership positions and most importantly, have fun!



Pychology/Nueroscience Club

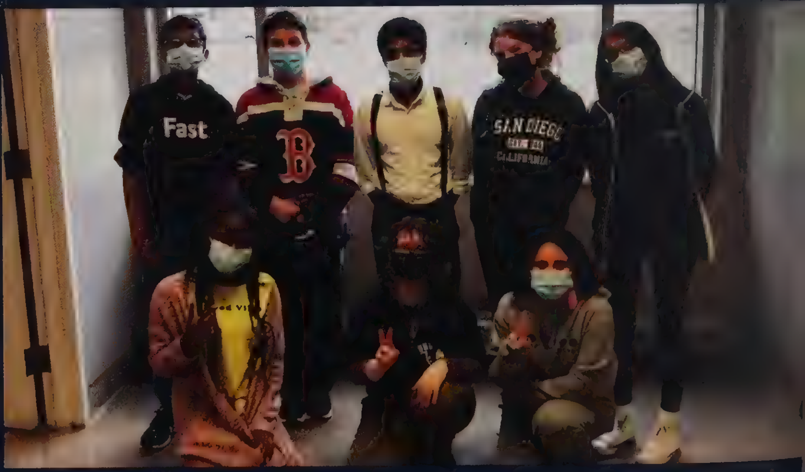
Advisor: Dr. Duggan

Psychology club students meet to discuss how the human brain works. They talk about a range of topics from forensic psychology to personality. Students learn about what the littlest things, like hand position or eye contact, can tell about a person.

Quiz Team

Advisor: Mrs. Moynihan

Students prepare weekly with practice questions to compete in the NAQT (National Academic Quiz Tournaments). Students will compete in two to three tournaments a year. In addition, the Quiz Team sends students to audition for the WGBH Quiz Bowl, with the potential to participate on the WGBH Quiz Show.



Service Learning Advisory Board

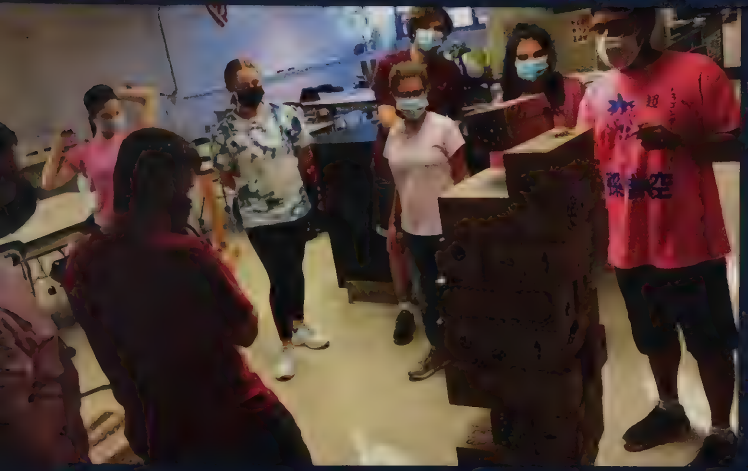
Advisor: Mrs. Satterfield

The Service Learning Committee helps facilitate Service Learning opportunities in classrooms by helping teachers in any way that they need. The committee also encourages volunteerism by making individual opportunities known when they become available as well as posting and updating ongoing community volunteer opportunities. The volunteer hours for each student is tracked through a google surgery sheet. Community Service Learning Mission Statement: To empower students at Shrewsbury High School to become capable, active, caring and involved contributors in the community by promoting a culture of service learning.

Ski Club

Advisor: Mrs. Gardner

This club is for students who enjoy skiing or snowboarding recreationally. Students take a bus to Wachusett Mountain for 6 Wednesdays to ski or board for a few hours. Students can purchase a season pass at a discount or the 6 week pass to the mountain. Students are also able to purchase a park pass, lessons, and rentals. Grab a friend and enjoy the winter with us.



Special Peer Connections

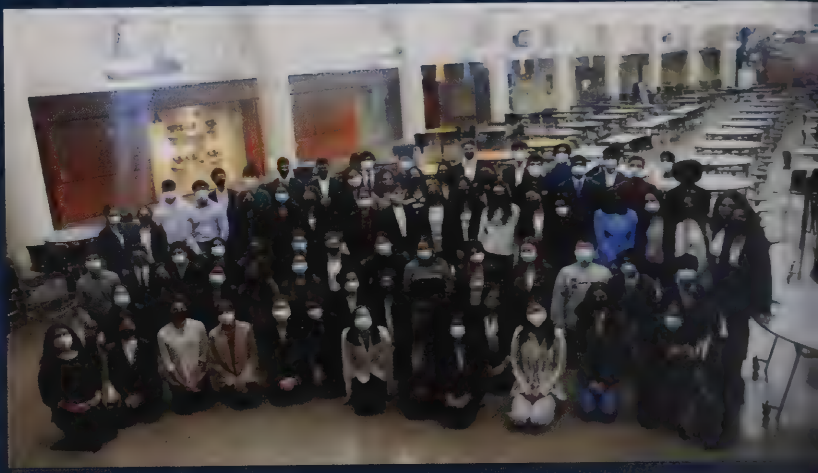
Advisors: Mr. O'Connor & Mrs. Cobb

Special Peers Connections is a formal opportunity for students of all abilities to meet together and participate in an activity as a group. Students in Special Peers Connections have been involved in a variety of activities and social invents.

Speech and Debate Team

Advisor: Mr. Rischitelli

The SHS Speech and Debate Team is a nationally recognized team competing in debate, interpretive reading, performing arts and current events. The team competes in events such as dramatic interpretation, poetry and reading. The team is also a member of the National Catholic Forensic League and the Massachusetts Speech & Debate League. Competitions allow students to develop communication, research and organizational skills to succeed in any chosen career.



STAR (Science Technology Application Research) Club

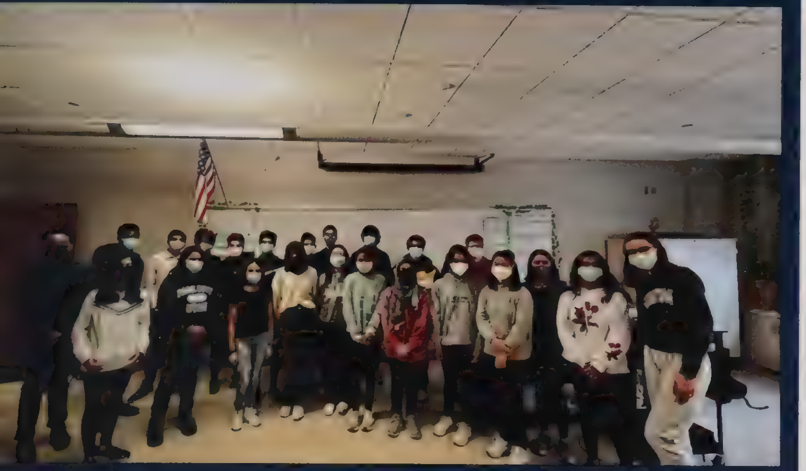
Advisor: Mr. Stoens

The STAR Club is designed to give students the opportunity to work with other students in exploring research in science and technology. Students will also explore careers in the field of science with guest speakers. Club members can mentor middle school students through their science fair research.

Student Advisory Committee

Advisor: Mr. Smith

The Student Advisory Committee (SAC) serves as a liaison between SHS and the School Committee. As school-wide elected representatives of SHS students, the members of the SAC address the School Committee in formal presentations several times per school year. The presentations share valuable information with the School Committee.



Town Crier Club

Advisor: Ms. Roberts

The Town Crier is Shrewsbury High School's student run newspaper that has been turned into a blog for easier access for all. There are several different departments which writers can be a part of which all report to a different student editor. Students write, edit, and post their articles. Most work is done by students through the Town Crier Schoology group. Students are responsible for meeting deadlines in order to be published.

Ultimate Frisbee Club

Advisor: Mr. Patrick Collins

The Ultimate Frisbee club is a club for students who are interested in playing ultimate frisbee recreationally.

SHREWSBURY
HIGH SCHOOL

Unified Club

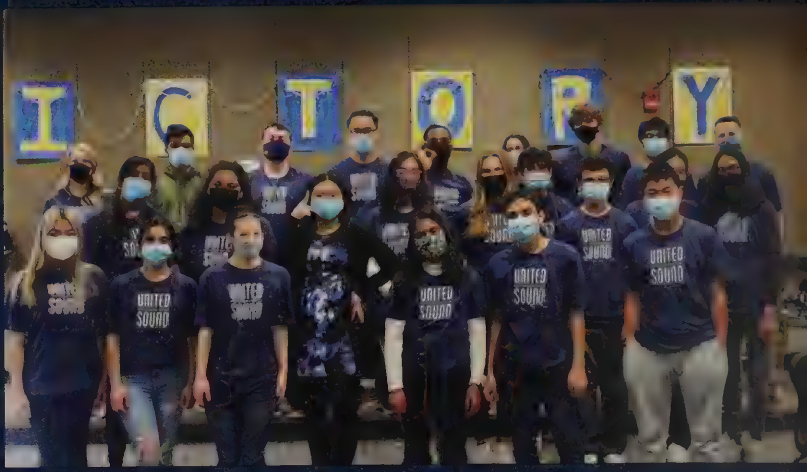
Advisor: Ms. Wallace

The Unified Club promotes social inclusion through intentionally planned and implemented activities affecting change in sports, youth leadership and whole school engagement at Shrewsbury High School. Activities include: Spread the Word to End the Word Campaign, Fans in the Stands, Unified Club Leadership Committee.

United Sound Club

Advisors: Mrs. Mercadante, Ms. Simler & Mr. Bleier

A school based instrumental music program for new musicians and their peer mentors. Students learn and perform in the Band and Orchestra together.



Yearbook Club

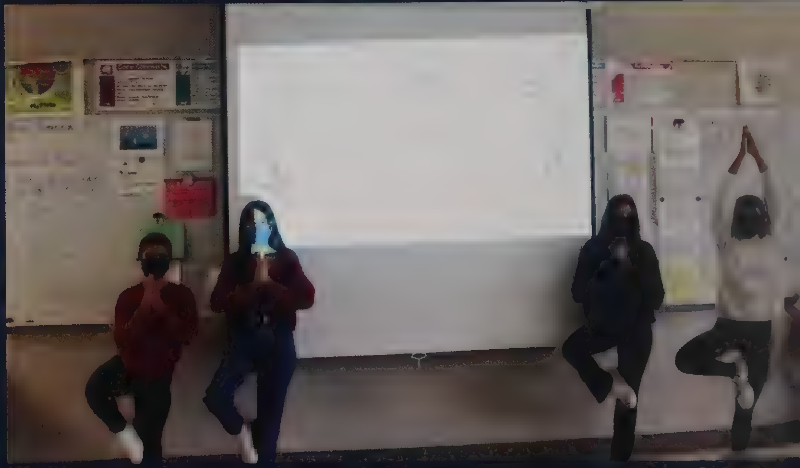
Advisor: Mr. Andreola

Yearbook committee students contribute to the overall design and theme of the annual SHS yearbook. Students are able to work in various aspects of the creation of an annual yearbook including photography, page design & layout as well as advertising and book sales all while meeting various deadlines throughout the year. Students will learn and use an online computer program to create the layouts and design style of the yearbook.

Yoga Club

Advisor: Mrs. Morin

Yoga club meets regularly to practice relaxation and yoga techniques.



Honor Societies

National Honor Society

The National Honor Society (NHS) is the nation's premier organization established to recognize outstanding high school students. More than just an honor roll, the NHS serves to recognize those students who have demonstrated excellence in the areas of scholarship, service, leadership, and character. Activities include monthly volunteering, planning and working with various organizations.

Advisors: Ms. Jha & Ms. Eriole

NATIONAL
HONOR SOCIETY

National Art Honor Society

The National Art Honor Society is a group of talented students who have a passion for creating art. Their mission is to spread art throughout the school and community through various team-building projects. Members actively participate and contribute to ideas and projects that promote creativity and 21st century learning skills.

Advisor: Ms. LeBlanc

National French Honor Society

The National French Honor Society selects sophomores and juniors who demonstrate competence in written and spoken French and who also maintain a high average in all of their courses. As a member, the students attend monthly meetings and serve as tutors for underclassmen.

Advisor: Ms. Plourde

National English Honor Society

e mission of the National English Honor Society is to promote mastery of written expression, encourage rthwhile reading, and foster fellowship among students who excel in English studies. The group is her charged to share our gifts by service to the society and fostering literacy in our community.

visor: Ms. Closter

Hailey,

We are so proud of everything you have accomplished. You have grown into an amazing young woman. We can't wait to see what adventures this next chapter brings.

We LOVE you,

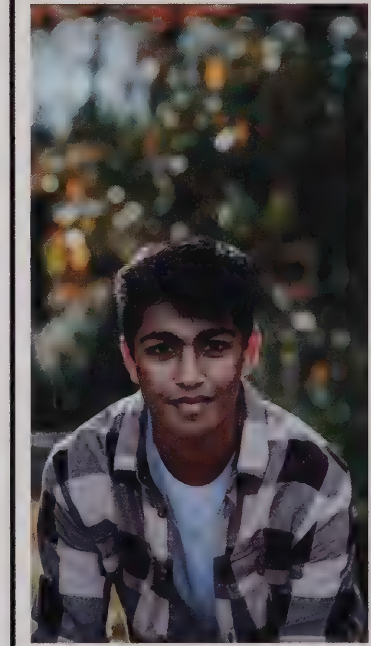
Dad and Mom

Congratulations! Brianna!

We are so proud of you! We have watched in amazement as to how fierce and strong you are in your studies.. You have faced all the challenges with grace, an incredible willingness to learn, and determination. It's been our joy to watch you grow and achieved so much. Remember you can achieve whatever you want in life, all you have to do is believe that you can, because we believe in you. Brianna never stops growing, exploring, and learning. Today is just the start of all the wonderful things that life has in store for you. This is just one of your many achievements to come. Again, we are incredibly proud of you!

Love, Mom, Dad, and Josh

Rishab Parikh



Congratulations Rishab! As we watch you graduate and leave your childhood behind, we are so proud of all your hard work and accomplishments. Keep smiling and shining and enjoy your journey ahead with hard work, love & compassion.

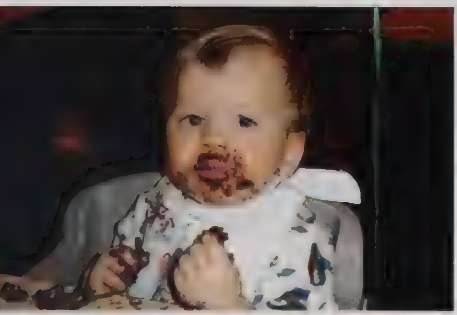
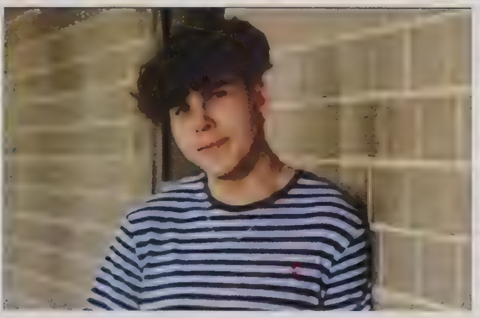
We Love You - Dad, Mom & Mahika



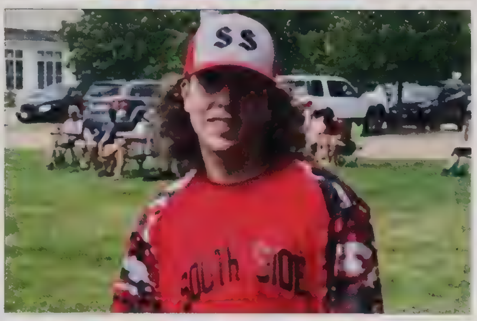


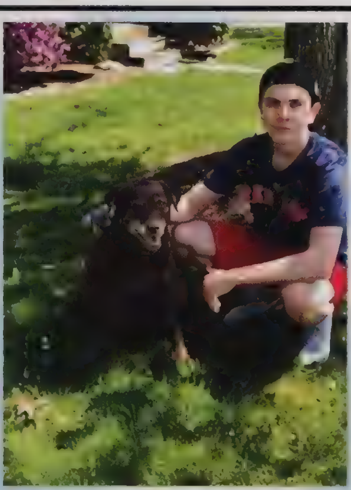
Luke,

Always remember, You are braver than you believe, stronger than you seem, smarter than you think, and loved more than you know.

We are so proud of you!

Love Mom and Dad





Colby Matthew Belanger

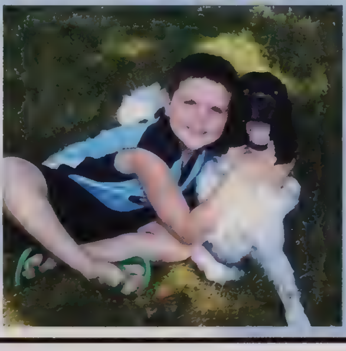
You have grown into a terrific, handsome young man. We are so proud of you.

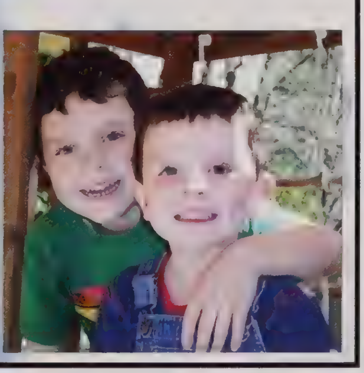
While on life's journey, always believe deep in your heart that you can achieve anything that you put your mind to. You may make mistakes but never forget to learn from them. Shoot for the moon. Even if you miss, you'll land amongst the stars.

Never be afraid to look ahead either. While we can't promise to be there for the rest of your life, we can promise to always love and support you for the rest of ours.

Love always,

Mom and Dad





Congrats to Our Kaci Grace

We are so proud of you! Our family can't wait to see what awaits you in your future.

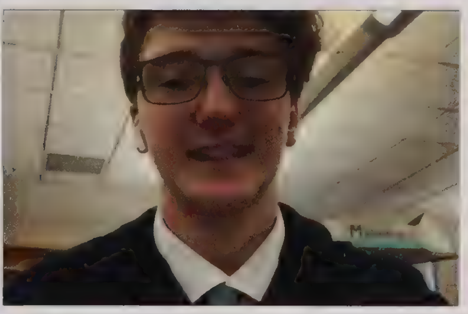
Just seeing how you have grown from a small child into a young man makes us all proud. We are very mindful of your accomplishments thru these four years of high school especially the rough one. But just remember one thing: "If your path is difficult it is just because your calling is higher". We know you will strive to succeed in all you do. This is only the beginning....Love Mom



Naomi Madelyn Parker

Naomi,

We have watched you grow from a little baby to a beautiful, caring, genuine young lady. Your happy soul loves everyone you meet and you have stayed grounded as you navigated yourself through life and have always been empathetic to others. One thing that has never changed is how happy you are and your bright, sweet smile. You are always present in the memories and moments that we share and we are so grateful for that. Keep being that special light in life and stay happy no matter what life throws at you. We are all so incredibly proud of the woman you have become and are so happy to share in the excitement of your graduation day and what the future holds for you. We love you so much!

As you finish your senior year of high school, we keep reflecting on how much you've grown, learned, and accomplished in the past 18 years.

You are genuine, Ryan. A true original. You are kind to everyone and are so much fun to be around. You "just love to laugh" and make us smile every day.

We are grateful you are part of our family. You enrich our lives tremendously. We'll always guide and support you in whatever you choose to do.

You've already surpassed many expectations. The fact that people always feel happy after spending time with you will take you far.

Although your time at SHS is ending, the rest of your life is just beginning and that is incredibly exciting. Congratulations!

We love you and are so proud of you.

CONGRATULATIONS SKY!

Sky, you've done it and we are so proud!! From your beginnings at Dr. James Craik Elementary in MD, to Henson, to Oak, to SJHS to SHS - whew, what a unique journey it's been! Along the way you've accomplished so much - from playing golf and soccer, math team, Math, Engineering, Science Achievement (MESA), playing the viola for the orchestra, to leading the SHS eSports team-the SHS CEOs (and winning two consecutive State Championships-maybe three by the time this hits the streets)! Through the years, in your own way, you've displayed tremendous grit, dedication, perseverance and focus. It's been amazing to witness this transformation from Pre-K kid to high school graduate. We love you beyond words and look forward to watching you accomplish your dream. We'd like to put a spin on the age old adage of 'the sky is the limit' - "Sky, let your sky be LIMITLESS!" We're so excited for you and the new chapters that will unfold as you endeavor towards your goals. Love Always, Mom, Dad and Christian and all the rest of family both near and far

Schools try to balance safety and the desire to remain in-person as COVID-19 variants spread

Teachers, staff, students, and parents have been through a lot in the past couple of years, and have shown much resilience – but it hasn't been easy. The Delta and Omicron waves caused many absences and widespread school closures in the 2021-2022 school year, forcing tough decisions in an attempt to balance safety and education.

Breakthrough! World Health Organization recommends widespread use of first malaria vaccine

Malaria is the leading cause of illness and death among children in sub-Saharan Africa, and an effective vaccine has been anticipated for a long time. Finally, there's a breakthrough. The World Health Organization (WHO) has recommended widespread use of the first malaria vaccine for children in places with moderate/high transmission of the disease's deadliest pathogen. WHO Director-General Tedros Adhanom Ghebreyesus called it an "historic moment."

Firefighters save giant sequoia trees from wildfires by wrapping them in foil

When wildfires threatened the famous giant sequoia trees in California, firefighters got creative. They wrapped the bases of some of the trees in foil to protect them against flames, and it appears to have worked. Sequoias are endangered, so the unusual effort was especially important. 2020's Castle wildfire wiped out 14% of the world's sequoia population, and conservationists are eager to preserve the ones that are left.

Community lines up to donate supplies after devastating tornadoes

Mr. Rogers said that when bad things happen, you should "look for the helpers." Helpers showed up in droves after strong tornadoes ripped through several states in December, hitting Kentucky particularly hard. Almost immediately, people began lining up to deliver supplies and offer help in whatever way they could. One man loaded a grill into his truck and drove into a damaged community to cook food for people. The storms were called "unprecedented" and served as a good reminder for everyone to review safety protocols and emergency plans.

Hurricane Ida, second only to Katrina, is most damaging storm to make landfall in Louisiana

Hurricane Ida made landfall in Louisiana 16 years to the day after Hurricane Katrina, leaving devastation in a state still rebuilding from the aftermath of Katrina. While Ida hit Louisiana the hardest, its impact was felt as far away as Venezuela and Pennsylvania. Power outages lasted weeks, many homes and buildings were destroyed, and more than 100 people lost their lives as a result of the storm.

19-year-old pilot becomes youngest woman to fly around the world solo

Now *this* is leveling up! Nineteen-year-old Zara Rutherford made history, becoming the youngest woman to fly around the world alone. The Belgian pilot flew 32,300 miles, breaking two world records along the way. The trip took 155 days, which was about two months longer than expected, as she faced several daunting challenges, including bad weather in Alaska, lightning bolts in Mexico, wildfire smoke in California, and heavy fog over India. She says, "One thing I've learned on this trip — and I think this applies to everyone — is that you're capable of more than you think you are."

'You're still here?!' Many employees *still* working from home

If your parent or caregiver seems to have turned your old playroom into an office, you might have to get used to it! It looks like the work-from-home trend is here to stay. At the end of 2021, more than one in 10 workers in the US were still working from home due to COVID-19, and research shows that many workers want to be able to choose where they work forever, even when we aren't in a global crisis.

Instagram rolls out new features encouraging younger users to take a break

Now it won't only be the grown-ups in your life encouraging you to "put the phone away." Instagram recently rolled out features designed to entice teens to take a break if they've been scrolling for a while. The change comes after Instagram and other social media platforms faced criticism and legal challenges for not doing enough to block harmful content and support mental health among young users.

No gas, no problem: Electric vehicles ramp up for 2021-2022

General Motors, one of the world's biggest auto makers, announced it will stop making gas-powered vehicles by 2035. That's part of an overall trend toward hybrid and electric vehicles. The long-awaited Tesla Cybertruck is still experiencing production delays, but that's no reason to wait to embrace eco-friendly driving. Even soccer parents can get in on the trend: Toyota is now only selling a hybrid version of its popular Sienna minivan!

NFTs sweep the art world, allowing a new way to 'own' digital art — and raking in millions

People have been collecting art for most of recorded human history – but that used to mean owning a physical piece of art, like a painting. With so much digital art being created today, consumers wanted to find a way to "own" digital art. Enter NFTs, Non-Fungible Tokens. NFTs are a type of digital currency that can only be owned by one person at a time, allowing them to secure a wide range of collectibles. While digital art isn't the only thing an NFT can be used for, NFTs have made a huge splash in the art world, raking in millions and creating a whole new market. If you had NFTs, would you spend them on your favorite meme?

Musicians use AI to finish Beethoven's final symphony

Ludwig van Beethoven is one of the most famous classical music composers to have ever lived. Beethoven died in 1827 and left an unfinished tenth symphony. Nearly 200 years after his death, a team of musicians set a goal: to finish his tenth symphony the way Beethoven would have written it. They used artificial intelligence to create a deep understanding of Beethoven's process and style, and after two years, they finished the tenth symphony.

Habitat for Humanity uses 3D printing technology to build homes in Virginia and Arizona

3D printers have grabbed loads of recent headlines for the cool things they can create – sculptures, tools, and even replicated human organs. Now 3D printers have been used to help build two homes in the United States. Habitat for Humanity, a global housing nonprofit that builds and improves affordable homes in partnership with low-income families, just debuted two homes in Williamsburg, Virginia, and Tempe, Arizona, that were partially built using 3D printing technology. Both interior and exterior walls were built using the printer. These projects have people excited about the future of 3D printed construction. Have you ever used a 3D printer? How would you use it?

BMW shows off color-changing car

We change up our outfits, sneakers, accessories, and maybe even our hair color in order to express our personalities. But what if your family could change the color of your car? Auto maker BMW showcased an innovative color-changing car at a January event in Las Vegas. Right now, the car can only change between gray and black patterns, but the technology is very real, and it suggests that color-changing cars might be on the road in future years. What colors would you want for your car?

Apple goes full circle with over-ear headphones

In 2016, Apple broke ground with Apple AirPods, the wildly popular wireless in-ear buds that made users feel more than a bit futuristic in comparison to traditional over-ear headphones. Now, six years later, Apple has come full circle with Apple AirPods Max – an over-ear design that looks a whole lot like the style AirPods were supposed to move away from (but with a lot more bells and whistles). Which style do you prefer?

Did you know? Some elephants have evolved to lose their tusks

Some female elephants in Mozambique have been found to have a genetic mutation that causes them not to develop tusks. Scientists think that the elephants may have developed this evolutionary trait in response to widespread poaching that decimated up to 90% of the population from people hunting them for ivory. The good news is that population numbers have recovered significantly since the early 2000s.

New dinosaur species unearthed in Missouri - and the skeleton is the size of a car!

Dinosaurs have been extinct for around 65 million years, but scientists keep finding more of them - more than 40 new species in 2021 alone. Another new species was just discovered in Missouri, and discoverers say it's like "finding King Tut's tomb." It's a duck-billed dino dubbed SD8 - (say that three times fast). Scientists are particularly excited both at the size of the skeleton (it's equivalent to a Volkswagen), its location, and the potential for it to be part of a discovery of a "dinosaur hotbed" ripe for even more discoveries.

A company in California even hopes to welcome tourists to the first space hotel in 2027!

American bumblebee has disappeared from eight states due to threats

The buzz: the American bumblebee, once a staple of flower gardens everywhere, has seen a nearly 90% population decline in the last 20 years and has now disappeared from eight states. The bumblebee is considered a significant part of the ecosystem, as it is the most effective species at pollinating wild plants and crops including berries, tomatoes, and squash. The decline is attributed to factors including habitat destruction, climate change, disease, and pesticide use, according to the Center for Biological Diversity.

Inventors use 3D printing to recreate coral to support endangered reefs

Did you know that coral reefs only take up 1% of the world's ocean floor but house a quarter of the world's marine life? Coral reefs are severely threatened by pollution and mining, and experts estimate that up to 90% of coral reefs may be destroyed in the next 20 years. Inventors have begun to get creative, using 3D printing to make special tiles that form as a base for coral and encourage regrowth.

From the brink of extinction, wild giant pandas make an 'amazing recovery'

The world might have struggled in a lot of ways this year, but at least giant pandas had a great year! Thanks to extensive conservation efforts, including bamboo reforestation and a crackdown on poaching, China announced that the giant panda is no longer on the endangered list. In 1980, just over 1,000 were left in the wild. This "amazing recovery," as reported by National Geographic, took pandas from near extinction to double the population with a bright future.

'Significant' amount of water discovered on Mars

We're learning more and more about Mars thanks to rapid advancements in space exploration. The latest discovery: "significant amounts of water," which has scientists and space enthusiasts very excited. The discovery was made via the European Space Agency's ExoMars orbiter, and the water was detected within the largest known canyon in the solar system. The canyon is being compared to the Grand Canyon – with one notable exception. Most of the water in Mars's canyon is just a few feet below the surface! Looks like we're just diving into possible discoveries, with much more to come.

14-year-old Zaila Avant-garde wins the Scripps National Spelling Bee and is named *Sports Illustrated's SportsKid of the Year* in the same 12-month period

Talk about multi-talented! It's a huge deal to win the highly competitive Scripps National Spelling Bee. It's a huge deal to be named *Sports Illustrated's SportsKid of the Year*. Fourteen-year-old Zaila Avant-garde did both, in the same year - and she's the first African American to win the Bee. The Louisiana native is a basketball phenom, which helped earn the SI title, but get this - she's also a world-class juggler and unicyclist who can do both simultaneously. Talent and hard work, paying off big time.

Kansas student's bug project wins blue ribbon and triggers federal investigation

A student showcased his impressive bug collection at the Kansas State Fair, and it won him a blue ribbon. It also triggered a federal investigation. The collection included a spotted lanternfly, an invasive insect that authorities didn't realize was present in Kansas until an eagle-eyed contest judge recognized it. The boy had correctly labeled the bug but wasn't aware that it was harmful. (It was also already dead!) The state leader of the 4-H program said the boy "alerted us to a threat we weren't aware of, and we're really thankful."

Game on! Donations from strangers continue to pour in to rebuild 'the worst football field in America'

The students from tiny Branson, Colorado, must really love to play football, because they kept showing up to practice despite playing on a field in terrible condition. It was so bad, players reported being "stabbed" by the rough grass. The team recorded a video asking for help, and their coach posted it on social media. Strangers from around the country donated a total of $500,000 – and now Branson has "the best field in the league."

Homecoming queen gives crown to grieving classmate

Nyla Covington was crowned homecoming queen at a Mississippi High School, but it's what she did just after winning the title that cements her status as royalty. Another candidate for homecoming queen, Brittany Walters, had lost her mother to cancer that very morning. Brittany had made a promise to her mother that she'd attend homecoming even with the huge loss she had suffered. Knowing what Brittany was going through, Nyla didn't hesitate to remove her crown and gift it to Brittany with a hug of support. A true queen indeed.

Junior chess champion Boydell releases guidebook to help other players

Oliver Boydell is only 11 years old but has already released his second book. The national chess champion just published *How a King Plays: 64 Chess Tips From a Kid Champion.* Why 64? Team USA Gymnast Simone Biles sparks international conversation on mental health after withdrawing from Tokyo Olympic events

Often heralded as the G.O.A.T. (Greatest Of All Time), Simone Biles is used to making headlines with her jaw-dropping gymnastics skills. At the Tokyo Olympics, she gained attention for a different reason. Citing mental health concerns, she withdrew from several events, including those in which she was heavily favored to win gold. Simone's decision drew praise from fellow athletes, celebrities, leaders, fans, and mental health advocates around the world, who applauded her choice to prioritize herself in spite of critics. She also sparked an international conversation on mental health that continued long after the closing ceremonies. The day after Simone withdrew, Google searches on mental health hit their highest peak in months, and several other athletes have since followed Simones's lead and opened up about their own mental health struggles.

Team USA goes for gold at the Beijing Olympics

The Beijing Olympics brought triumph and heartbreak for Team USA. A few memorable moments:

- Nathan Chen won gold and broke the all-time score record in men's figure skating.
- Speedskater Erin Jackson won gold in the women's 500 meter race – the first speedskating gold for Team USA in 28 years.
- Legendary snowboarder Shawn White placed fourth in his final Olympic event and passed the torch to a younger generation.
- Lindsay Jacobellis, 36, and Nick Baumgartner, 40, were by far the oldest competitors in a new Olympic event, mixed team snowboarding cross – and they won gold.

Golden State Warriors player Stephen Curry breaks NBA record for most career three-pointers

Hitting a three-pointer is a big deal. Hitting 2,974 of them is enough to land you in the record books. Just ask Golden State Warriors basketball player Stephen Curry, who broke the NBA record for most career three-pointers this past season. And he's not done yet! Now that Stephen has broken the record, he wants to see how far he can take it.

In college football, Georgia finally beats rival Alabama for first national title since 1980

If you have a Georgia Bulldog fan in your life, they're probably STILL talking about this year's national championship game. Georgia took on rival Alabama for a hotly contested game. Georgia hadn't won a national championship since 1980, but things weren't looking great for them until a wild and crazy fourth quarter where they pulled off the win. Alabama fans should still hold their heads high – they had a fantastic season and even beat Georgia in the SEC title game a month before the national championships.

L.A. Rams win Super Bowl LVI at their home stadium

A clutch catch from MVP Cooper Kupp late in the fourth quarter sealed a Super Bowl victory for the L.A. Rams, who defeated the Cincinnati Bengals 23-20 at the Rams' home stadium. It was the Rams' first Super Bowl win since 1989. The Bengals are still one of 12 franchises to have never won a Super Bowl. The halftime show drew widespread praise for its celebration of L.A. hip-hop culture. Dr. Dre, Snoop Dogg, 50 Cent, Eminem, Mary J. Blige, and Kendrick Lamar performed a set of throwback hits.

Atlanta Braves shut out Houston Astros to take home first title in 26 years

After 26 years without a World Series title, the Atlanta Braves only needed six games to win it all. The 2021 World Series pitted the Braves against the Houston Astros, and the Braves won the series 4-2. In the final game, the Braves didn't give up a single run. Braves star Jorge Soler, who hit a stunning 446-foot, three-run homer in game six, was named World Series MVP.

NBA celebrates 75th anniversary season and announces 75 greatest players of all time

The year 2021-2022 marks the 75th anniversary season for the National Basketball Association (NBA), and they celebrated by announcing a list of the 75 greatest NBA players of all time. The list wasn't ranked, so there are no squabbles over who deserves to be number one. It does feature a lot of familiar names and "greats" of the game, including Kareem Abdul-Jabbar, Kobe Bryant, LeBron James, Magic Johnson, Dennis Rodman, Dwyane Wade, Larry Bird, and Michael Jordan.

Spider-Man: No Way Home becomes first pandemic-era film to break $1 billion at global box office

Spider-Man: No Way Home may not have a route home, but it found a way to the very top of the box office charts! It became the first pandemic-era film to break $1 billion at the global box office. The film also debuted to a massive $260.1 million on its opening weekend, giving it the second-largest debut of any film to date.

The show must go on: Broadway is back on stage!

After a long shutdown due to the COVID-19 pandemic, several hit Broadway shows returned to the stage in the fall. Audiences were thrilled to return to in-person theater, and there were reports of wild cheers and many exciting moments. Opening night, Broadway legend Kristin Chenoweth surprised the audience at *Wicked* when she stepped out to welcome them and introduce the show on the very stage where her career took off. *Hamilton* creator Lin-Manuel Miranda said, "I don't ever want to take live theater for granted."

Top social media platforms

Which social media platform is your fave? For all the buzz about TikTok, it's only number seven on the list of the world's most popular platforms for 2021. Facebook is number one worldwide with 2.74 billion active users. Next up, in order: YouTube, WhatsApp, Facebook Messenger, Instagram, Weixin/WeChat, and finally TikTok. In case you're wondering, Snapchat is all the way down at number 12.

Top TikTok creators

It's official: Charli D'Amelio is 2021's most-followed TikTok creator, taking the top spot with more than 133 million followers as of January 2022. Charli, from Connecticut, posts dancing, lip syncing, lifestyle, and promotional videos. In second place: Khaby Lame, a Senegalese-born creator based in Italy. He's known for posting silent parodies of "life hack" videos for his more than 129 million followers.

Not so sour! Olivia Rodrigo claims the top two spots on Spotify's list of most-streamed songs in the US for 2021

Music to your ears! Spotify released its annual report of top tracks and artists based on streams, and you definitely had some favorites for 2021. Olivia Rodrigo's smash album *Sour* was on repeat, and she snagged the top two spots for most-streamed songs in the US, with *drivers license* at number one and *good 4 u* at number two. Doja Cat, Glass Animals, and Dua Lipa rounded out the top five.

Top movies

Give *Encanto* the crown! The crowd-pleasing Disney favorite took the top box office spot for kids movies in 2021. Coming in second: *Sing 2*, followed by *Space Jam: A New Legacy*, with *The Boss Baby: Family Business* and *The Addams Family 2* rounding out the top five. Notoriously private about viewing numbers, Netflix finally released statistics that show strong watch-from-the-couch performances from *Vivo*, *Kung Fu Panda*, *The Mitchells vs. The Machines*, and *Wish Dragon*.

Top concert tours

Going to concerts felt different in 2021, but many artists still managed to bring in the crowds. The Rolling Stones had the top-grossing concert tour (meaning they brought in the most $$$) of 2021. In second place? None other than Harry Styles. Harry actually sold the most tickets overall but came in number two for the amount his shows brought in. If you could go to the concert of any artist or band, who would it be?

Encanto's soundtrack tops the chart

We don't talk about Bruno, but we are talking about the *Encanto* soundtrack. Disney's smash hit musical not only has everyone watching, but listening as well. In January, the film's soundtrack hit number one on the Billboard charts, and the single *We Don't Talk About Bruno* also cracked the top five. The only other Disney films to have number-one soundtracks are *The Lion King* (1994), *Pocahontas* (1995), *Frozen* (2013), and *Frozen II* (2019).

SKIMS outfitting Team USA with lounge wear

Even Olympic athletes need to rest, and the women on Team USA are resting in SKIMS. Kim Kardashian's shapewear brand had an official partnership with Team USA and provided lounge wear, undergarments, and pajamas to the female athletes at both the 2020 Tokyo and 2022 Beijing Olympics. While Ralph Lauren once again designed the official Team USA attire, downtime was all about SKIMS.

Yum! The latest food trends for 2022 will have your mouth watering

Food Network Magazine released a list of food trends for 2022, and it's a tasty lineup. Top items include cereals that are both fun and healthy (think high-fiber chocolaty puffs), Korean corn dogs fried in a sweet rice flour batter, a super-popular, spicy, oil-based condiment from Mexico called "salsa macha," and a major trend toward open-fire grilling (kids, don't try this at home!).
